

## COLLECT empty printer cartridges and cell phones

Ask those who support your fundraiser to collect:

### **Inkjet Cartridges**

- >> Found in most home printers
- >> Likely fit in the palm of your hand
- >> Libraries, computer labs, small businesses and parents are a great source of inkjets

### **Laser Cartridges**

- >> Found in larger, high-speed printers
- >> About the length of your forearm
- >> Banks, accountants, brokers and large companies that print numerous forms will probably use lasers

### **Cell Phones**

- >> Can be collected from individuals and businesses
- >> Many cell phone users change service carriers or upgrade equipment
