STUDENTS WITH LIMITED LANGUAGE PROFICIENCY IN ENGLISH OR IN FRENCH

To ensure the academic success of the students in our school, the following plan is initiated to offer the support that your child will need to successfully complete our program.

Students with limited language proficiency in English or French will receive the following assistance:

- 1) Remedial class in the language if needed
- 2) English as a second language (ESOL) or French as a second language (FRESOL) in language arts classes
- 3) Teachers will be able to present instruction in other subject content in a way that all the students can understand
- 4) Additional French lessons will be available (optional)
- 5) Constant consultation with teachers regarding the student's development will be maintained
- 6) Quarterly evaluation plans will be initiated for the students in order to monitor their progress
- 7) Based on the progress of the students, teachers will use their discretion to determine when and how to give the mid-term exam to the students
- 8) All students will receive a grade for each marking period, mid-term and/or final exam.

Should you have any questions or concerns, please feel free to schedule an appointment with the administration.

ESOL classification

All students who scored below a C1 on the IPT test must be in ESOL remedial. All students who have a C1 can be exited from ESOL only if they scored 75% in reading and math in the SAT last year. If the student has not taken the SAT test, another assessment will be given (such as the DAR).

The grade accommodations for ESOL students are based on their categories (see below). The grade in English is evaluated based on ESOL grading accommodation on the progress reports and report cards:

- A1 - multiply grade by 1.9 for example: student gets a 45% $45 \times 1.9 = 85.5\%$
- A2 - multiply grade by 1.75
- B1 - multiply grade by 1.6
- B2 - multiply grade by 1.4
- C1 - multiply grade by 1.15 ***
- C2 - no change in grade

*** C1 level students who are exited from the ESOL program will not receive any grading accommodations

COMPUTER, TABLET & NETWORK RESPONSIBILITY AGREEMENT FORM FOR STUDENTS

Computers, networks, and on-line telecommunications such as the Internet and e-mail, are becoming more commonplace in our classrooms and media centers every year. While these systems have the power to deliver a huge number of resources to our classrooms, their ability to serve students and teachers depends on the reasonable and ethical use of every device and system.

Lycée Franco-Américain has adopted a computer use policy that defines the appropriate use of technology at Lycée Franco-Américain. This policy describes how computers, tablets and networks must be used to support research and instructional activities in our classrooms, labs, and media centers. The policy has two themes. First, it promotes the use of technology as a powerful educational tool that is increasingly becoming a common part of every student's day. The second is that those students who use these computers, tablet and the networks to which they are connected, must act in accordance with prescribed rules and behavioral codes in the policy. Several major provisions are noted below.

Major Policy Provisions:

- Use of computers, tablets, networks, and on-line telecommunications systems must be related to students' educational activities.
- Students must recognize that computers, tablets, networks, and equipment used to support on-line telecommunications systems are shared devices and agree to use them in ways that will maintain their continued operability for all users.
- No illegal activity may be conducted using Lycée Franco-Américain's computers, tablets, networks, or online telecommunications systems.
- Students must not access or distribute offensive, obscene, inflammatory, or pornographic material.
- Students must not intentionally spread computer viruses, vandalize data, infiltrate systems, or degrade/disrupt computer and/or network performance.
- All users of computers, tablets, networks, and on-line telecommunications systems shall adhere to laws regarding copyright.
- Students are not allowed to download programs (including games) on the computers or tablet.

By signing below, Parents and Students Acknowledge the Following Points:

- We understand that Lycée Franco-Américain has rules and regulations regarding the acceptable use of computers, tablets, networks, and on-line telecommunications systems.
- We agree that the use of these computers, tablets, networks, and on-line telecommunications resources will be done in accordance with these rules and regulations.
- We understand that failure to follow these rules may result in disciplinary action, denied or restricted use of computers, tablets, networks, and on-line telecommunications systems or appropriate legal measures being taken.
- We recognize that Lycée Franco-Américain has taken every reasonable measure to ensure that the information accessed over computer networks and through on-line telecommunications systems is appropriate.
- We also recognize that Lycée Franco-Américain cannot completely control all of the information published by way of the computer workstations or tablets on our networks or by way of connected on-line telecommunications systems. In consideration of the acceptance of the Enrollment Contract by LFA the undersigned agrees to pay the required fees as specified in the Enrollment Manual and Procedures:
