INFORMATION FOR PARENTS TO KEEP

Parent's Role

A parent's role in quality child care is vital:

- Inquire about the qualifications and experience of child care staff, as well as staff turnover.
- Know the facility's policies and procedures.
- Communicate directly with caregivers.
- Visit and observe the facility.
- Participate in special activities, meetings, and conferences.
- Talk to your child about their daily experiences in child care.
- Arrange alternate care for your child when they are sick.
- Familiarize yourself with the child care standards used to license the child care facility.

Quality Child Care

Quality child care offers healthy, social, and educational experiences under qualified supervision in a safe, nurturing, and stimulating environment. Children in these settings participate in daily, age-appropriate activities that help develop essential skills, build independence and instill self-respect. When evaluating the quality of a child care setting, you should consider the facility's quality indicators related to activities, caregivers, and environment.

Quality Activities

- Activities are children initiated and teacher facilitated.
- Activities include social exchanges with all children.

Quality Caregivers

- Caregivers are friendly and eager to care for children.
- Caregivers accept family cultural and ethnic differences.

Quality Environments

- Environments are clean, safe, inviting, comfortable, and child-friendly.
- Environments provide easy access to age-appropriate toys.

What is the influenza (flu) virus?

Influenza (“the flu”) is caused by a virus which infects the nose, throat, and lungs. According to the US Centers for Disease Control and Prevention (CDC), the flu is more dangerous than the common cold for children. Unlike the common cold, the flu can cause severe illness and life threatening complications in many people. Children under 5 who have the flu commonly need medical care. Severe flu complications are most common in children younger than 2 years old. Flu season can begin as early as October and last as late as May.

How can I tell if my child has a cold, or the flu?

Most people with the flu feel tired and have fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. Because the flu and colds have similar symptoms, it can be difficult to tell the difference between them based on symptoms alone. In general, the flu is worse than the common cold, and symptoms such as fever, body aches, extreme tiredness, and dry cough are more common and intense. People with colds are more likely to have a runny or stuffy nose. Colds generally do not result in serious health problems, such as pneumonia, bacterial infections, or hospitalizations.

For additional information, please visit www.myflfamilies.com/childcare or contact your local licensing office.

This brochure was created by the Department of Children and Families in consultation with the Department of Health.

THE FLU

A Guide for Parents

What should I do if my child gets sick?

Consult your doctor and make sure your child gets plenty of rest and drinks a lot of fluids. Never give aspirin or medicine that has aspirin in it to children or teenagers who may have the flu.

Call or take your child to a doctor right away if your child:

- Has a high fever or fever that lasts a long time
- Has trouble breathing or breathes fast
- Has skin that looks blue
- Is not drinking enough
- Seems confused, will not wake up, does not want to be held, or has seizures (uncontrolled shaking)
- Gets better but then worse again
- Has other conditions (like heart or lung disease, diabetes) that get worse

How can I protect my child from the flu?

A flu vaccine is the best way to protect against the flu. Because the flu virus changes year to year, annual vaccination against the flu is recommended. The CDC recommends that all children from the ages of 6 months up to their 19th birthday receive a flu vaccine every fall or winter (children receiving a vaccine for the first time require two doses). You also can protect your child by receiving a flu vaccine yourself.

What can I do to prevent the spread of germs?

The main way that the flu spreads is in respiratory droplets from coughing and sneezing. This can happen when droplets from a cough or sneeze of an infected person are propelled through the air and infect someone nearby. Though much less frequent, the flu may also spread through indirect contact with contaminated hands and articles soiled with nose and throat secretions.

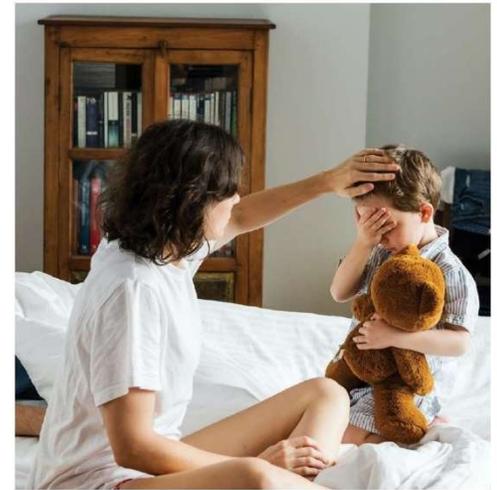

To prevent the spread of germs:

- Wash hands often with soap and water.
- Cover mouth/nose during coughs and sneezes. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.
- Limit contact with people who show signs of illness.
- Keep hands away from the face. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

When should my child stay home from child care?

A person may be contagious and able to spread the virus from 1 day before showing symptoms to up to 5 days after getting sick. The time frame could be longer in children and in people who don't fight disease well (people with weakened immune systems). When sick, your child should stay at home to rest and to avoid giving the flu to other children and should not return to child care or other group settings until his or her temperature has been normal and has been sign and symptom free for a period of 24 hours.

During the 2009 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes provide parents with information detailing the causes, symptoms, and transmission of the influenza virus (the flu) every year during August and September.

For additional helpful information about the dangers of the flu and how to protect your child, visit: www.cdc.gov/flu/ or www.immunizeflorida.org/

A change in daily routine, lack of sleep, stress, fatigue, cell phone use, and simple distractions are some things parents experience and can be contributing factors as to why children have been left unknowingly in vehicles...

For additional information, please visit www.myflfamilies.com/childcare or contact your local licensing office.

WHEN LIFE HAPPENS... DON'T BE A DISTRACTED ADULT

Distraction Prevention Tips:

- **Never** leave your child alone in a car and **call 911** if you see any child locked in a car!
- **Make a habit** of checking the front and back seat of the car before you walk away.
- **Be especially mindful** during hectic or busy times, schedule or route changes, and periods of emotional stress or chaos.
- **Create reminders** by putting something in the back seat that you will need at work, school or home such as a briefcase, purse, cell phone or your left shoe.
- **Keep a stuffed animal** in the baby's car seat and place it on the front seat as a reminder when the baby is in the back seat.
- **Set a calendar reminder** on your electronic device to make sure you dropped your child off at child care.
- **Make it a routine** to always notify your child's child care provider in advance if your child is going to be late or absent; ask them to contact you if your child hasn't arrived as scheduled.

During the 2018 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes to provide parents, during the months of April and September each year, with information regarding the potential for distracted adults to fail to drop off a child at the facility/home and instead leave them in the adult's vehicle upon arrival at the adult's destination.

Facts About Heatstroke:

It only takes a car **10 minutes** to heat up 20 degrees and become deadly.

Even with a window cracked, the **temperature inside a vehicle** can cause heatstroke.

The body temperature of a child increases **3 to 5 times faster** than an adult's body.

PRESCRIPTION MEDICATION

To ensure proper administration of any medication prescribed by your child’s doctor, we are asking that you adhere to the following guidelines:

- 1) If possible, medication should be scheduled to be given right before and/or right after school rather than during school hours.
- 2) Prescription medication provided by the parent and dispensed by LFA staff must be in the original container. The name of the child’s doctor, child’s name, name of medication, dosage, and the directions for administration shall be written on the label.
- 3) Both the completed Authorization for Medication (FORM 5, available online or in the office) and the prescription medication shall be hand delivered by an adult to an administrator (if the main office is open) or to the before care staff member (if the main office is not yet open).
- 4) Inform the administrator or staff member in writing of any possible reactions and any other pertinent information related to the medication.
- 5) If your child has been placed under any physical activity and/or dietary restrictions by his/her doctor, please be sure to include that information as well.

NOTE: Never mix medication with any food or drink in your child’s lunch.

Students may not bring medication to school. Medication must be brought to school by an adult and hand delivered to an LFA staff member. Students are not to be in possession of medication at any time while on school property.

PAYMENT PLAN AGREEMENT

Please submit a payment plan agreement each school year

Student's name _____

Grade _____

I have chosen the following payment plan:

- Option 1: One yearly full payment March 1st (expires on June 1st , if not paid in full).
- Option 2: Three Quarterly payments, with finance charge (August 1st, November 1st, & February 1st).
- Option 3: Ten Monthly payments, with finance charge (1st of each month, from August to May).

There will be a \$75 late fee for all payments made after the 5th of the month and 15% of the balance for all payments made after the 15th of the month.

PAYMENT PLANS WILL BE ESTABLISHED FOR ALL CURRENT YEAR CHARGES. PAYMENT PLAN ARRANGEMENTS SHOULD NOT BE MADE UNTIL REGISTRATION IS FULLY COMPLETE. Any charges incurred after this plan is established, including charges for additional activities or services added must be paid separately by the published due date or date of registration if they occur after tuition deadline. **NO AMENDMENTS TO THE PLAN WILL BE ACCEPTED.**

- I promise to pay Lycée Franco-Américain International School all payments detailed in this payment agreement by the established deadline.
- I understand that the payment agreement can be established for only one year.
- No School services (i.e., transcripts, report cards) will be granted if the payment is not received on time.
- No financial aid is applied until all aid has been finalized and all requirements have been met.
- I understand and agree that failure to pay all charges by the due date will leave my account subject to financial penalties, including collection and legal fees.
- I understand and agree that any payments made to the school will be credited first to any delinquent charges.
- I understand and agree that withdrawal from the school does not release me from this payment plan obligation, any financial penalties or other collection costs.
- At **30 days past due**, the entire payment plan balance will be accelerated (to a shorter term) and a late penalty of 15% of the outstanding balance will be assessed. The late penalty indicates that your account is past due. Unless you resolve the debt immediately, the school will advance the matter to the next step in the collection process, and your child may not be allowed to register for next year.
- Once an account is **60 days past due**, repayment arrangements may be made directly with the collection agency, and the account holder bears the costs associated with collection efforts. The cost associated with collection efforts is approximately 33.33% of the outstanding balance, which can add substantial additional charges. We encourage you to make payment in a timely manner and avoid financial penalties.
- The makers and endorsers of this agreement hereby waive protest, presentation, and notice of dishonor and hereby agree to remain bound for the payment of this agreement. The makers and endorsers of this agreement agree to pay all expenses incurred in the collection of this agreement.

Please note: This is a binding contract.

Expulsion Policy

Unfortunately, there are sometimes reasons we must ask that a child be removed from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced. The following are reasons we may have to expel or suspend a child from our program:

Immediate Causes for Expulsion

- The child is at risk of causing serious injury to other children or him/herself.
- Parent threatens physical or intimidating actions towards staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children.

Parental Actions for Child's Expulsion

- Failure to pay/habitual lateness in payments
- Failure to complete required forms including the child's immunization records
- Habitual tardiness when picking up your child
- Verbal abuse to staff

Child's Actions for Expulsion

- Failure of child to adjust after a reasonable amount of time
- Uncontrollable tantrums/angry outbursts
- Ongoing physical or verbal abuse to staff or other children
- Excessive biting

Prior to expulsion, a parent will be called, and correspondence will be sent home indicating what the problem is, and every effort will be made by both the provider and the parents to correct the problem. If, after one or two weeks, depending on the risk to other children's welfare and safety, behavior does not improve and the provider finds that they can no longer accommodate the child, the parent will be asked to remove him or her. The parent will be given a minimum of one week notice to find another center to provide care for this child. We will have informal conversations about your child on a regular basis. Because communication and consistency in guiding behavior is important to your child's development, we'll enlist your input and involvement when needed.

PHYSICAL ACTIVITY

Lycee Franco-Americain provides your child with planned physical activities during regularly scheduled times. A typical day will include 40 minutes of gross motor outdoor/indoor activities including, but not limited to: dance, ball play, obstacle course, riding toys, push toys, climbing, crawling, stretching, sliding, exercising, balancing, tossing, throwing, jumping, yoga, walking on the line, etc.

Each age group or class must have a written plan for scheduled daily activities. The plan must meet the needs of the children being served and must include alternate activities in case of inclement weather and include scheduled activities that promote emotional, social, intellectual and physical growth.

These activities may include but are not limited to playground equipment, ball games, teacher lead small group games, and teacher directed large group games. In the event of inclement weather, a rainy-day activity schedule shall be followed.

Please make sure you send your child to school in comfortable clothing appropriate for outdoor weather conditions. All children must wear **sneakers/closed-toed shoes** with rubber soles every day. Flip-flops, open-toed shoes, heels, sandals, boots, Crocs, etc., are NOT SAFE for these activities
